PRINCIPAL'S MESSAGE

Today we held our annual Pounamu Assembly. This assembly awards badges to students who have achieved NCEA endorsed with Merit or Excellence. It was great to hold this in our new theatre for the first time, it is a great venue for events such as this, and also wonderful to have so many parents join us, thank you. We had nearly 200 students come across the stage - a wonderful show of student achievement. We have included a list of all of our recipients below, as well as students who achieved Scholarships in 2017.

2017 Results - as a school we work hard to deliver a great all-round education to our students, and central to this is student learning, progress and achievement, and each year we set goals and targets for this. While results are not completely confirmed for a few weeks yet, it is my pleasure to report to you on the highlights of the 2017 Results at this time, beginning with two of our Tier 1 goals:

- NCEA Level 2 - is a very significant qualification which is considered important for young people and their futures, and accordingly it has considerable emphasis from the government, Ministry of Education, schools, students and parents. Again we had an ambitious target of 90% of our Year 12 students achieving NCEA Level 2, and 170 of 186 of our students achieved this, ie 91% - an outstanding result by and for those students. As a school we also work hard to ensure our Maori and Pasifika students achieve and I am also pleased to report that 94% of Maori and 100% of our Pasifika students achieved NCEA Level 2 - again, outstanding.
- University Entrance (UE) - approximately two-thirds of our students go on to tertiary study and so UE is a critical qualification for those students and their families, and an important one for the school and community. 108 of 145 students of our students who had a 'UE-capable course' achieved UE, ie 74% - again, a great result for those students and their futures.

Highlights of our Tier 2 goals include:

- NCEA Level 2 with Excellence - particularly for those with tertiary aspirations this is an important achievement that can yield considerable financial scholarships and supports entry into courses and Halls of Residence. Our ambitious target was for 23% of our Year 12 students to achieve this, and 42 students did, ie 23% - which is a fantastic achievement by and for those students. It was also an excellent result compared to other high decile schools.
- NCEA Level 1 endorsed with Merit or Excellence - this goal is about students achieving a quality Level 1 qualification, in part to help set them up for Level 2. 101 students, ie 51%, achieved this.
- Scholarships - are the pinnacle of academic achievement, and to gain a Scholarship is a great achievement and honour. Sitting scholarship is optional and undertaken by our top scholars, who work hard with their teachers throughout the year to prepare for them. In 2017 our students achieved 8 scholarships (and eight more are one mark off!). The list of scholarship recipients, as well as their teachers, are listed below.

Overall our 2017 results are excellent, and we are really pleased with them. Given everything else that was going on last year at WHS with preparations for the move to the new school it shows that we were keeping our eyes on the prize. They do represent hardwork and dedication of both students and staff, and my thanks and congratulations go to all of them.

Most importantly these results are about our students and their futures. As a school our efforts mean that large numbers of our students have gained results and qualifications that will support them on their pathways and give them options and opportunities for their futures.

PRINCIPAL'S MESSAGE *continued...*

Uniform - in one week we have a significant seasonal change with the uniform, which includes blazers and junior ties. Please see the piece below for information regarding this and important other info re the uniform.

It was great to see such a good turnout for the Year 9 Greenstone Camp parent meeting on Wednesday. Next week are the NCEA Parent and G&T meetings - see the dates section at the end of the newsletter and do come along if they are for you.

There are many important items in the newsletter below, including information on the Assessment Calendar, the WHS App and examples of our great all-round education - please do look through it.

Our second full week of teaching and learning in the new school is now done and we are settling really well; it is great to hear the positive feedback from students, staff and parents. The new school is a significant change, and big picture the transition is going very smoothly. There are many things for us to sort and improve and we will continue to do that - it is a matter of direction rather than perfection at this stage, but we are definitely going well in the right direction!

A great day ahead tomorrow, with weather coming in later on Sunday. The snow this week (see the great photo by Mr Charton below) reminds us to get out and make the most of summer in the Wakatipu!

Steve Hall
Principal

WHS 2017 SCHOLARSHIP AWARDS

WHS is proud to announce the fantastic achievements by our students who have been awarded 2017 Scholarships.

Arts

Brylee Tuinman Bell – Photography

Sofia Machray – Photography

Lily Yochay - Art Design

Teachers: Katie Keane, Leslie Koehn

Social Sciences

Chao Han (Proxime) - Geography

Teacher: Linda Richards

Maths

Hamish Attenborough (Dux) – Calculus – *Outstanding Scholarship*

Teacher: J-E McEnerney

Science

Ella Macbeth - Biology

Hamish Attenborough (Dux) - Chemistry

Hamish Attenborough (Dux) - Physics

Teachers: Jim Gilbert, Pat Quaid, Hamish Robb

INTERNAL ASSESSMENT CALENDARS

Internal Assessment Calendars for NCEA Level 1, 2 & 3 - these calendars, which show students when their assessments are due, have now been published. They are critical for seniors and, while dates can move around a bit, they can play a big part in determining the shape of a senior student's academic year and enable them to plan to ensure they achieve their academic goals.

Students should use the calendar to identify all their assessments - particularly noting pinch-points when several fall due at the same time, and then put this beside their other commitments eg sport, work, family. We highly recommend that parents support their children to create their individual assessment calendar to better enable them to plan and prioritise. Some assessments are due soon - this process is important now.

A reminder that students who are absent from an internal assessment must produce a medical certificate and that there are no extensions provided for students going on holidays.

Click [here](#) for the NCEA Level 1 Internal Assessment Calendar

Click [here](#) for the NCEA Level 2 Internal Assessment Calendar

Click [here](#) for the NCEA Level 3 Internal Assessment Calendar

Click [here](#) to see a copy of the school calendar, including Term dates, Field Trips, School exams, etc. As per above, some of these dates are subject to change.

Oded Nathan
Senior Deputy Principal

READER / WRITERS

Wakatipu High School is seeking Reader/Writers to work on a casual basis, term-time only. Reader/ Writers have an important role in supporting students to overcome their learning difficulties during an assessment activity for both internal and external examinations. The position would suit a semi-retired or retired person. For more information and to express your interest, please visit our [website](#) for further information and to sign up.

EXTRACURRICULAR EXPO

Extracurricular Expo

The annual extracurricular expo was a great success this year held indoors in the stadium due to poor weather. There were over 50 different activities from WHS and the community that students could find out information about and register their interest. There is a wide range of activities available for students in the Arts, Academic, Cultural, Leadership, Outdoor, Community and Sports realms, as well as an "Other" category. If you missed signing up, then make direct contact with the Teacher In Charge of that activity or listen out on the notices across the term for opportunities that become available.

For a full list of activities and contacts please click: [here](#)

UNIFORM UPDATE

We have had a great start to the year, and for the most part students are doing an excellent job of wearing the correct uniform correctly. As February draws to a close it is time to dust off the blazers, because as of **Monday 5 March** all students must wear their blazers to and from school, and between classes. From that time it will also be compulsory for our junior students to wear the school tie (NB this is a change from previous years).

Although most students are wearing the school uniform correctly, there are a few inconsistencies that we have noticed, so for clarity:

Boys

- Must wear a belt with their shorts and trousers.
- Must have their shirts tucked in.
- Need to have their top buttons done up and their tie up to the collar.

Girls

- May wear the skirt or blue kilt year round. The green kilt may be worn only in Terms 2 and 3, by Year 12 and 13 students only.
- Skirts must not be shortened by rolling, hemming or cutting. In the event that a skirt has been permanently modified please be aware that you will be required to purchase a replacement.
- Only ankle socks may be worn with the skirt. Tights or knee length socks may be worn with the kilt.
- If girls choose to wear trousers they must be worn without modification in any way (including cuffing or cropping) other than hemming them so that they sit just above the sole of the school shoes. As with skirts, if pants are permanently modified you will be required to purchase a replacement pair.
- Only ankle socks may be worn with shorts.

Boys and Girls

- Blazers are the primary uniform item, and must be the outermost layer of the uniform. Jerseys or vests may be worn as an optional secondary item only. Blazers are compulsory for formal events such as prizegiving.
- Socks and tights must be navy and worn with plain black polishable shoes (see website for complete footwear rules). Socks can be purchased from the Uniform Shop, and cost \$15 for a pack of 3.

For a more detailed breakdown of the school uniform, please refer to our [website](#). Thank you for your continued support of our efforts to keep all students looking neat and tidy as they represent our school out in the community.

Uniform Shop Update

- Blazers will be returned to the Online Uniform Shop on Tuesday 27 February, and from then will be available online only.
- Bucket hats are back in stock.
- Uniform Shop hours are now Wednesday and Fridays, Break 3 (1:50 - 2:30 pm).

NQZA NEWS

Review and Reconsideration applications for 2017 external examination results

It is advisable for students to talk to their teachers prior to applying for a review or reconsideration. The original answer booklet must accompany any application for a review or reconsideration except for Digital Pilot examinations and digitally submitted Technology standards.

Cut scores

Cut scores have been released and may be found at the relevant subject link [here](#). These scores may assist students in their decision about whether to request a Review or Reconsideration.

Review application process

In a Review, all sections of a booklet or portfolio are checked to make sure they have been marked and results correctly recorded and transferred. A review does not involve re-marking and there is no charge. Students should print off a copy of the personalised Review form from their Learner Login.

Check details for a Review of NCEA examination results [here](#).

Check details for a Review of Scholarship examination results [here](#).

Applications for Reviews of NCEA externally assessed standards close on 21 February and for New Zealand Scholarship on 2 March.

Reconsideration application process

A Reconsideration involves re-marking all answers in the answer booklet and checking mechanical processes (such as transferring grades).

NCEA Reconsiderations cost \$20.40 for each standard. The fee for Design and Visual Communication (DVC) and Technology portfolios is \$20.40 for each external achievement standard, not each portfolio. The fee for New Zealand Scholarship Reconsiderations is \$30.70 per standard (subject). Where the Reconsideration becomes successful, the fee is refunded. Students must apply for Reconsideration through their Learner Login. Payment should also be made online.

Check details for a Reconsideration of NCEA examination results [here](#).

Check details for a Reconsideration of Scholarship examination results [here](#).

Applications for Reconsiderations of NCEA externally assessed standards close on 16 February and for New Zealand Scholarship on 2 March.

Reconsideration applications for Level 3 and New Zealand Scholarship Visual Arts

These can also be completed from the Learner login. High-quality A4 coloured photographs and an authenticity declaration must be submitted. Scholarship applications must include both photographs and workbook. No portfolios are to be sent to NZQA.

Check details for a Reconsideration of Level 3 and NZ Scholarship Visual Arts results [here](#).

Applications for Reconsiderations for NCEA externally assessed standards close on 21 February and for Scholarship on 2 March.

OSTA THEATRE NOMINATIONS

Following the release of the 2017 Otago Southland Theatre nominations in December, the awards will be presented this weekend. All the best to those who have been nominated below for the WHS 2017 production of Fame.

The nominations are as follows:

- Best Wardrobe - Ali Soper, Becky Paris, Abbey Soper
- Best set - Di Griffiths
- Best ensemble number "Hard Work"
- Best supporting female in a play of musical - Beatrice Onions
- Best choreography - Sienna Strachan, Sienna Simpson
- Best Musical direction - Alison Price

The awards above reflect the incredible commitment from the whole cast of Fame and especially the wonderful leadership and vision of our director Kate Moetaua.

HEAD STUDENT UPDATE

Kia Ora! What a crazy start to the year we have had here at WHS! It is not every year that we get a shiny brand new campus to call home, and consequently the move to the new school has brought its fair share of excitement, discovery and of course a little chaos.

After almost four weeks of school I know that many people, including myself, are still getting used to the flow of how everything works so I have decided to make a quick list of some of the little things that will make your life at the new school just that extra bit better.

1. If you bring your own mug to school you get 20 cents off your coffee (if you are like me and really like your coffee, this can save you a lot of money in the long run - plus you get to help save the environment yay!)
2. Take advantage of the microwaves and kettles in the common room - imagine all the new lunch possibilities that are now open to you (I'm thinking pasta, soup, warm cookies...)
3. If you are really starving just pop round to one of the common room areas after break and you'll be likely to find some chips or crumbs lying around that are free for the taking
4. No amount of pleading or persuasion can get you to cross the science departments megalab aka 'no student land' regardless of how desperately you need to get to the class on the other side... trust me I've tried.

Amongst the turmoil of moving, school life still continues, so here's a little update on what's been happening. If you happen to float past the Performing Arts Department during the upcoming weeks you may be lucky enough to hear the harmonious tunes of the Musical band and ensemble tirelessly rehearsing songs about a man eating plant, sadistic dentist and a gullible florist. Paired with some wicked choreography, this musical will definitely be one to remember so make sure you go see it!

WHS better watch out! Our Student Councils have just had their second meeting yesterday and from the sounds of it they've got some pretty awesome ideas for events and competitions this year so keep checking the notices and your emails for information on how to participate!

What do Debating, Rugby and War Games all have in common? They were all stalls at the annual WHS Extra Curricular Expo last Tuesday 20 February. This was a really cool opportunity to see all the different clubs and activities that the school has to offer.

If you like air hockey, pool, ping pong, free food and hot chocolates as much as I do, I'm sure you'll like the new space set up by the Wakatipu Youth Trust beside Site Trampoline and Chipmunks. This area (yet to be named) is for high school students only and will be open after school from 3.30pm-6.00pm as well as being open for Year 13s during Break 3 so go on over and check it out!

To finish off this week we have had a Year 12 and 13 Pounamu Assembly, with an incredible amount of students being recognised for obtaining Level 1 or 2 endorsements. Well done again to those of you who worked hard last year.

That's all from me!! Have a great term :)

Bianca Crichton
Head Girl

SPORTS UPDATE

Challenge Wanaka

The WHS boys team won the Challenge Wanaka Secondary School division on Saturday and came an amazing 4th place out of 230 teams overall! Secondary school teams are allowed four competitors and to split the distance of the bike/run legs to make it achievable. WHS had Sam Davis complete the swim, Archie Ritchie complete the first half of the ride and Hayden Thompson the second half. Aleks Cheiftz completed the first half of the run and Archie the second half.

Sam Davis, Hayden Thompson, Aleks Cheiftz and Archie Ritchie

Wakatipu High School Sports Academy

The WHS Sports Academy is back in 2018 and will start up in Term 2. More information will be in newsletters to come and there will be a meeting for any students interested in early March. Watch this space.

Mountain Biking - Oceania Champs

The Altherm Oceania Mountain Biking Championships were held in Dunedin at Signal Hill from 9-11 February. WHS had a number of riders competing; Jayd Adlam, Nico Fernandez, Alex Barke, Riley Adlam, Jordan Fernandez, Hannah White and Will Adamson. A gorgeous day on Saturday was followed by wet and challenging conditions on Sunday.

Top 10 finishes in the Downhill were:

- Alex Barke - 3rd out of 17 competitors - U17 Men
- Will Adamson - 5th out of 6 competitors - U15 Men
- Jayd Adlam - 7th out of 21 competitors - U19 Men
- Hamish McLeod - 8th out of 21 competitors - U19 Men

Ex student Sam Robbie won the U19 Men's category.

The National Downhill Championships are being held at Cardrona this weekend.

All the best to the riders competing.

Smash Fit

The ladies at Remarkable Women's Health and Fitness ran a free taster session earlier this week in the stadium for girls. A number of girls attended and had a great time being active. The Smash Fit class is run two days a week after school at Remarkable Women's Health and Fitness in Remarkables Park. The sessions are \$5 for high school students or free as part of a membership.

SPORTS UPDATE *continued...***Girls Cricket**

The WHS Girls Cricket team travelled to Ranfurly this morning to play a combined East Otago/Maniototo Side in Round 1 of the NZCT Bates Cup. It is fair to say the girls cleaned up this T20 game posting 225 in the first innings and getting the opposition all out for 26! Yes you read that right. Nieve Collin top scored with 40 runs and everyone contributed to the wicket taking. The girls now move on to Round 2. A big thanks to Matt Hollyer for taking the girls for the day.

Sports Notices

Netball Trials - Dates for the 2018 Netball Trials are below:

Senior Competitive Girls - Tuesday 27th February and Thursday 1st March - 5-7pm

Year 10 Girls - Tuesday 6th March and Thursday 8th March - 5-7pm

Year 9 Girls - Tuesday 13th March and Thursday 15th March - 5-7pm

All trials will take place at the WHS gymnasium. Girls are to meet on the netball courts outside at 4:30pm to warm up.

Hockey Coaches Wanted - WHS are looking for keen parents or volunteers to assist in coaching the secondary school hockey teams this year. These teams train in Queenstown and play in Cromwell during the week in Term 2 and 3. If you are interested in finding out more information please contact Queenstown Hockey Club via email: queenstownhockeyclub@gmail.com

Rugby Registrations - All players who signed up at the Extracurricular Expo have been sent a link to complete the 2018 NZRU registration form. This is to be completed by Friday 2nd March.

Girls Only Football Sessions - This year a Girls Football clinic will be run by Jamie Whitmarsh of the QAFC on Mondays from 3:45-4:45pm on the school field in Term 1 and 2. These sessions are free and all girls interested in learning and developing football skills and knowledge are encouraged to attend as well as those wanting to represent the school in football. The sessions will start on Monday 5th March and will run through to Monday 28th May, minus holidays. If you are wanting to take part, please email Mrs Nathan (lnathan@wakatipu.school.nz) by Friday 2nd March.

2018 Football Registration Now Open - Registration for the Queenstown Associated Football Club (QAFC) 2018 Season Junior Club is now open. QAFC will be fielding junior teams in the following age groups. U14 and U17. Registration closes on the Thursday 1st March. Anyone who registers after this time will be placed on a waiting list. Trials for U8 to U17 are scheduled for 4th and 11th March with the first practice being on 22nd March. All registrations must be made online. For more information and to register, please go to the QAFC website at www.queenstownfootball.com

MINDFULNESS & YOGA

Mondays after school at Wakatipu High School: meet at Student Services - 3.45pm to 4:30pm

4 week course starts: Monday 5 March. \$80 per person

All funds benefit The Kindness Institute's [charity](#) work with marginalised youth.

The Kindness Institute specialises in mindfulness education and our students report a reduction in stress and anxiety, improved learning, confidence, sleep, focus, calm and compassion.

Mindfulness is being practiced in many schools and is an evidence based tool that can be used over a lifetime to reduce stress and anxiety (which isn't unique to adults) and support people's ability to flourish. Our programme has been developed with long term outcomes in mind and is based on world leading models in Mindfulness and stress reduction education.

A main focus of our kaupapa is training the trainer; youth are empowered to teach mindfulness and yoga to their community. This model has been hugely successful and has seen our work having a much wider impact.

In this fun course, we explore mindfulness and yoga in a hands-on way through group and partner activities in a non competitive environment. Students will learn about focus, calmness, gratitude, self love, stress management and yoga asanas. [See here](#) to watch a recent piece on our work on The Sunday Programme.

All year levels are welcome in this course. No experience is necessary.

Click link below to make a booking.

(Booking info: When you sign up on mindbody following the link, you will create your own account and from there you can choose which class you would like your child to attend. Click 'I am paying for someone else' and you will enter their name. By paying for one course your child is automatically signed up to all 4 classes.)

WHS APP

Hopefully many of you have downloaded our app now, so here's two tips to make sure you are getting the most out of it. If you haven't downloaded it yet, remember it's free and you can find it [here for iOS](#) and [here for Android](#) devices.

Absences

- Select on the Absentee button and then tap 'Email office' to tell us if your child cannot attend school. Once you've filled the form out once, it will remember all your details for next time.

Join alert groups

Notification alerts are one of the most useful features of the app.

- Tap on the Alerts button and then tap the little tick mark in the top right corner. Use the arrows to expand each group and tap to tick any activity/club that your child is involved in. We suggest that as a minimum you should choose a Year Group and House/Whanau. Select School Buses if your child takes a bus to/from school.
- By sending alerts to these groups, we can make sure that you only get notifications that are important to you and your child.

Central Otago/Southern Lakes Region Schools Invitation

Friday 30th, Saturday 31st, Sunday 1st April 2018

Friday 30th March 2018 – Student's Day

Warbirds Over Wanaka International Airshow 2018 is delighted to extend our schools programme and invites your pupils to our Easter Airshow. We will give each pupil that you register with us a free ticket to the Airshow on Easter Friday.

One of WOW 2018's fundamental objectives is the education of young New Zealanders about New Zealand's aviation history. We aim to inspire young people to take an active interest in all facets of aviation at the airshow.

Tours

We invite all students and parents to join the Air Training Corps, 50th (Alexandra) Squadron cadets on short tours running at 09.30, 10.30 and 11.30am. Students are also welcome at any time during the Friday. The meeting point for the tours is outside the Warbirds Over Wanaka Office in the carpark to the right of the main airport entrance.

The tours will visit:

- The RNZAF, RAAF and French Air Force displays will provide an opportunity to learn about modern aircraft used in the Air Forces today. There is a chance that students might also meet some of the men and women who work in the Air Force and have a look at future careers for themselves.
- Sport Aircraft Display of microlights, homebuilts, replicas, sport aircraft projects and much more....
- Packard cars from the USA and NZ and stationary engines and the Warhorse (military vehicle) display.

Whilst on the tour, the Air Cadets will be available to answer any questions about the training they receive and their exciting activities. After the tour, students and parents are free to wander around the airshow and visit the market stalls, aviation trade stands and taste the delicious goodies on the food stalls. Many aircraft will also be practising their flight displays so students need also to keep eyes on the sky!

Process

1. A ticket order form is enclosed – please return this before 28th February 2018 when you know how many students wish to attend. Some brochures and posters are also enclosed. Further brochures may be downloaded from our website homepage on www.warbirdsoverwanaka.com Please make a list of these students and return this list to WOW.
2. WOW will print the student tickets and hold them at the Ticket Box at the Main gate (closest to the WOW Office) for each student or student group to collect on Friday. Each student will be ticked off the list. Any parents accompanying them will be able to purchase tickets at the same time. Park in Car Park B if coming from Wanaka or C if coming from the South (see the map enclosed).
3. Students then join up with the Air Cadets who will be stationed outside the WOW Office for the Tour.

Any queries to the WOW Office on 03 443 8619 or info@warbirdsoverwanaka.co.nz We hope your students will enjoy their day at the Warbirds Over Wanaka International Airshow.

Please visit the Careers Hub to register to attend this event.

Healthy Eating with *Taste Success*

Many parents are looking for quick and healthy meals to fuel their growing families and children.

With increased scrutiny of schools for the provision of healthy food education and healthier canteen options, you can now follow this up by offering your staff, parents, and families the Taste Success Programme.

What we provide is nutrition programmes with a beautiful recipe book, weekly meal plans for breakfast, lunch and dinner with shopping lists.

Plus, appointments with us to get the whole family eating well, improving energy and concentration levels, and improving children's overall health and wellbeing.

We are passionate about family health and wellbeing and would love to share our programme's features and benefits with you and your community.

Be known as a school that supports healthy eating and the wellbeing of your staff, families and children.

For more information on how our programmes can work for your school, contact us at:

COMMUNITY NOTICES

MindPlus is a programme for creatively and intellectually gifted 6-13 year olds that provides intellectual, creative, social and emotional learning and support. Children come together, with a specialist teacher, for one day each week. Together they engage in differentiated, strength-based, learning experiences to further develop their gifts and talents and a greater understanding of what it means to be gifted.

"MindPlus works for me because of the different ways and subjects that we learn and how we do stuff differently from school that makes us think outside of the box"
- MindPlus Student

Why MindPlus is great for creatively and academically gifted children:

- Children connect with like-minded peers who think like them and understand each other.
- Learning is challenging and applied, and stretches children's abilities and ways of thinking.
- Small class numbers enable personalised learning that focuses on each child's strengths and interests. (MindPlus class numbers are capped at 16 children.)
- Our specialist teachers understand gifted learners and what makes them tick.

0800 769 243 | office@nzcge.co.nz | nzcge.co.nz

Curriculum

Like all programmes delivered by the New Zealand Centre for Gifted Education, all teaching and learning at MindPlus is guided by the Centre's own curriculum. Developed specifically for meeting the needs of gifted children outside of the mainstream classroom, the curriculum is specialised, comprehensive and based on best-practice recommendations in gifted education. It is responsive to the needs and characteristics of each individual gifted learner and fosters challenging learning that connects with children's strengths and interests.

Where MindPlus Operates

Auckland, Hamilton, Rotorua, Kapiti, Wellington, Lower Hutt, Nelson, Christchurch. The Centre also supports local groups with the delivery of the MindPlus programme in Masterton, Lincoln, mid-Canterbury, Dunedin and Invercargill, with Taranaki opening in 2016.

MindPlus Entry Selection

Through the Entry Selection Process, information regarding a child's intellectual, creative, and personal abilities and traits are collected from their home, school and from the child themselves. This information is analysed to determine whether the child would benefit from attending MindPlus. Referrals can come from either parents or a child's school. (We welcome referrals from home-schooling parents, too.)

The Centre also has a **Resource Base** available to educators and parents.

YOUTH MUAY THAI

With coach Rob Horrocks

Muay Thai is an ancient Thai martial art which uses stand up striking as well as various clinching techniques. It is often referred to as 'the science of 8 limbs' because strikes can be delivered from punches, kicks, knees and elbows.

Classes include defensive and striking techniques, fitness drills, pad work and bag work.

Students should expect to gain confidence, hand eye co-ordination, fitness, balance, self-discipline, respect as well as physical and mental strength. Those who enjoy the classes and want the chance to compete will be given the opportunity to do so but there is never any pressure for people to fight.

Rob Horrocks has over 17 years Muay Thai experience winning area and English championship bouts at professional level as well as multi weight British and European championship bouts as an amateur.

♪ MUSICAL MONDAYS ♪

World music, rhythms, listening, concentration and fun!

Making music on drums, percussion and with your voices.

Music is a universal language that embodies one of the highest forms of creativity. We will engage and inspire pupils to develop a love of music and their talent as musicians, increasing their self-confidence, creativity and sense of achievement.

In this programme we will

- Have heaps of fun playing drums, glockenspiels and other percussion instruments
- Learn to play rhythms and develop listening skills
- Sing songs from around the world, including Africa and Europe
- Learn to read and write musical notation
- Work as a team, playing in time and increasing co-ordination and control

We will be aiming for an informal performance during the final workshop, sharing and celebrating our learning.

Programme length

1.5 hours per week for 6 weeks
